

## **Minutes of Creative Kinesiology Association AGM November 4, 2017**

Carrie Jost, Head of CK opened the AGM by welcoming all those who were attending.

### **Chair's report**

She let us know that the Association has been going from strength to strength in the past year and that joining the BCMA has been a success and has helped with tightening up on policy areas.

She is looking forward to the Association building gradually, providing ever more support for practitioners to be successful, and to welcoming more people as they step forward to become teachers.

She also acknowledged the work that the management and teachers' team has done in steering, leading and holding the Association in the past year, including improving the website and producing the monthly newsletter.

She also outlined all the CPD and Core Subject trainings that are now available.

Many thanks to you Carrie for all that you have held and created for us in this past year.

### **Financial report**

Ali Ashby has been a huge contributor to the Association as she is in charge of Finance and Administration. She gave the financial update next.

The turnover for the financial year was £14,500. And as planned we broke even.

We were able to invest in, amongst other things, building the new website, updating course manuals, building our relationship with the BCMA and supporting the teaching team.

Funding comes from commission from teachers (approx 2/3) and membership fees (approx 1/3).

The plan for the coming year is to consolidate and expand on these two main funding streams.

Many thanks Ali

## **BCMA membership - report**

Iona Chamberlain gave us an update on the BCMA. She has been the CKA's representative this year. She confirmed that it has been really positive to be our own organisation within the support of the BCMA.

As members we can benefit from Webinars, insurance and as individual practitioners having a presence on their website.

She will be handing over her role for this coming year. Responsibilities include 3 Skype meetings a year and an AGM. Many thanks Iona.

The AGM concluded with a request for volunteers to join the Management Team and take over from Iona as our BCMA rep.
